

Certificate

EC Certificate of Factory Production Control

Certificate No. 0086 - CPD – 564452

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive – CPD), as amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

Bituminous mixtures

characterised as

Asphalt concrete, Hot rolled asphalt, Stone mastic asphalt

intended for use as bituminous mixtures and produced by

Quinn Building Products (Tarmac Division)

at the factory location

Gortmullan, Derrylin, Fermanagh, BT92 9AU

is submitted by the manufacturer to initial type testing of the products and factory production control, and that the approved body BSI has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the harmonised European Standards

EN 13108-1:2006; EN 13108-4:2006; EN 13108-5:2006

and in accordance with the procedures given, were applied.

A handwritten signature in black ink, appearing to read 'David W Ford', written over a horizontal line.

David W Ford, Executive Director, Healthcare and Testing Services

Date 12 October 2010

This certificate first issued 26 August 2010

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
